INDEPENDENT AUDITORS' REPORT

To,
The Members,
Udaipur Poly Sacks Limited,

Report on the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Udaipur Poly Sacks Limited (the Company), which comprise the balance sheet as at 31st March 2022, and the Statement of Profit and Loss and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going

concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists,

we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

ANNEXURE –B TO THE AUDITORS' REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of Udaipur Poly Sacks Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

CONVENTION

To prepare financial statements in accordance with applicable Accounting Standards in India. A summary of accounting policies, which have been applied consistently, is set out below. The financial statements have also been prepared in accordance with relevant presentational requirement of the Companies Act, 2013.

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention and on accrual basis and on going concern concept.

USE OF ESTIMATES

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reported period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

FIXED ASSETS

To state Fixed Assets at the cost of acquisition inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction/fabrication, related pre-operational expenses form part of the value of the assets capitalized. Expenses capitalized also includes applicable borrowing costs. To adjust the original cost of fixed assets acquired through foreign currency loans at the end of each financial year by any change in liability arising out of expressing outstanding foreign currency loan at the rate of exchange prevailing at the date of Balance Sheet.

To capitalize software where it is expected to provide future enduring economic benefits. Capitalization costs includes license fees and cost of implementation/system integration services. The costs are capitalized in the year in which the relevant software is implemented for use.

All up-gradations/enhancements are generally charged off as revenue expenditure unless they bring similar significant additional benefits.

No amortization is provided in the Accounts in respect of Leasehold Land in view of the long term tenure, which is akin to ownership.

Depreciation on Fixed Assets is provided for on Straight Line Method over the useful life of the assets at the rates and in the manner specified in the Schedule II of the Companies Act, 2013.

INVESTMENTS

To state current investment at lower of cost and fair value, and long term investments are stated at cost. Where applicable, provision is made where there is a permanent fall in valuation of long term investments.

CURRENT ASSETS

Inventories are valued as:

- | | | |
|-----------------------|---|--|
| (a) Stores and Spares | : | at lower of cost or net realizable value |
| (b) Raw Materials | : | at lower of cost or net realizable value |
| (c) Work in process | : | at lower of cost or net realizable value |
| (d) Finished Goods | : | at lower of cost or net realizable value |

Cost is arrived at on First In First Out basis. Cost comprises expenditure incurred in normal course of the business in bringing such inventories to its location and includes, where applicable, appropriate overheads based on normal level of activities. Obsolete, slow moving and defective inventories are identified at the time of physical verification of inventories and, where necessary, provision is made for such inventories.

Excise duty payable on production is accounted for at the time of removal from the factory.

UDAIPUR POLY SACKS LIMITED

SIGNIFICANT ACCOUNTING POLICIES

FOREIGN CURRENCY TRANSACTIONS

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.
- (b) Monetary items denominated in foreign currencies at the year end are restated at the year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and the rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.
- (c) Non-monetary foreign currency items are carried at cost.
- (d) In respect of branches, which are integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate on the date of transaction. Branch monetary assets and liabilities are restated at the year end rates.
- (e) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the profit and loss account except in cases where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

INCOME

Sales comprises sale of goods and services.

Revenue in respect of purchase/sale of product and scrap is recognized at the point of receipt/despatch from/to parties at/from plant and warehouses.

Interest on Fixed Deposits with banks and other miscellaneous income are also accounted for on the accrual basis except interest accrued on NSC, dividend and interest if any arising on income tax, sales tax and excise duty refunds.

BENEFITS TO WORKMEN

Liabilities in respect of retirement benefits are provided for by monthly payments to pension and provident funds under the Employees' Provident Funds (and Miscellaneous Provisions) Act, 1952 which are charged against revenue.

Benefit in terms of Gratuity, workmen demand pending settlement, accumulated leave, medical reimbursement and leave travel concession are accounted, when paid and bonus to employees, is provided for on accrual basis.

TAXES ON INCOME

To provide and determine current tax as the amount of tax payable in respect of taxable income for the period.

To provide and recognize deferred tax on timing differences between taxable income and accounting income subject to consideration of prudence.

Not to recognize deferred tax assets on unabsorbed depreciation and carry forward of losses unless there is virtual certainty that there will be sufficient future taxable income available to realize such assets.

UDAIPUR POLY SACKS LIMITED

SIGNIFICANT ACCOUNTING POLICIES

IMPAIRMENT OF ASSETS

Impairment is ascertained at each balance sheet date in respect of company's fixed assets. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value and use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

ACCOUNTING FOR PROVISIONS, CONTINGENT LIABILITIES & CONTINGENT ASSETS

Provisions are recognized in terms of Accounting Standard 29-"Provisions, Contingent Liabilities and Contingent Assets" issued by The Institute of Chartered Accountant of India, when there is a present legal or statutory obligation as a result of past event where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or where reliable estimate of the obligation can not be made. Obligations are assessed on an ongoing basis and only those having largely probable outflow of resources are provided for.

Contingent Assets are not recognized in the financial statements.

CLAIMS

To disclose claims against the company not acknowledged as debts after a careful evaluation of the facts and legal aspect of the matter involved.

SIGNIFICANT ACCOUNTING POLICIES

CONVENTION

To prepare financial statements in accordance with applicable Accounting Standards in India. A summary of accounting policies, which have been applied consistently, is set out below. The financial statements have also been prepared in accordance with relevant presentational requirement of the Companies Act, 2013.

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention and on accrual basis and on going concern concept.

USE OF ESTIMATES

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reported period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

FIXED ASSETS

To state Fixed Assets at the cost of acquisition inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction/fabrication, related pre-operational expenses form part of the value of the assets capitalized. Expenses capitalized also includes applicable borrowing costs. To adjust the original cost of fixed assets acquired through foreign currency loans at the end of each financial year by any change in liability arising out of expressing outstanding foreign currency loan at the rate of exchange prevailing at the date of Balance Sheet.

To capitalize software where it is expected to provide future enduring economic benefits. Capitalization costs includes license fees and cost of implementation/system integration services. The costs are capitalized in the year in which the relevant software is implemented for use.

All up-gradations/enhancements are generally charged off as revenue expenditure unless they bring similar significant additional benefits.

No amortization is provided in the Accounts in respect of Leasehold Land in view of the long term tenure, which is akin to ownership.

Depreciation on Fixed Assets is provided for on Straight Line Method over the useful life of the assets at the rates and in the manner specified in the Schedule II of the Companies Act, 2013.

INVESTMENTS

To state current investment at lower of cost and fair value, and long term investments are stated at cost. Where applicable, provision is made where there is a permanent fall in valuation of long term investments.

CURRENT ASSETS

Inventories are valued as:

- | | | |
|-----------------------|---|--|
| (a) Stores and Spares | : | at lower of cost or net realizable value |
| (b) Raw Materials | : | at lower of cost or net realizable value |
| (c) Work in process | : | at lower of cost or net realizable value |
| (d) Finished Goods | : | at lower of cost or net realizable value |

Cost is arrived at on First In First Out basis. Cost comprises expenditure incurred in normal course of the business in bringing such inventories to its location and includes, where applicable, appropriate overheads based on normal level of activities. Obsolete, slow moving and defective inventories are identified at the time of physical verification of inventories and, where necessary, provision is made for such inventories.

Excise duty payable on production is accounted for at the time of removal from the factory.

UDAIPUR POLY SACKS LIMITED

SIGNIFICANT ACCOUNTING POLICIES

FOREIGN CURRENCY TRANSACTIONS

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.
- (b) Monetary items denominated in foreign currencies at the year end are restated at the year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and the rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.
- (c) Non-monetary foreign currency items are carried at cost.
- (d) In respect of branches, which are integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate on the date of transaction. Branch monetary assets and liabilities are restated at the year end rates.
- (e) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the profit and loss account except in cases where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

INCOME

Sales comprises sale of goods and services.

Revenue in respect of purchase/sale of product and scrap is recognized at the point of receipt/despatch from/to parties at/from plant and warehouses.

Interest on Fixed Deposits with banks and other miscellaneous income are also accounted for on the accrual basis except interest accrued on NSC, dividend and interest if any arising on income tax, sales tax and excise duty refunds.

BENEFITS TO WORKMEN

Liabilities in respect of retirement benefits are provided for by monthly payments to pension and provident funds under the Employees' Provident Funds (and Miscellaneous Provisions) Act, 1952 which are charged against revenue.

Benefit in terms of Gratuity, workmen demand pending settlement, accumulated leave, medical reimbursement and leave travel concession are accounted, when paid and bonus to employees, is provided for on accrual basis.

TAXES ON INCOME

To provide and determine current tax as the amount of tax payable in respect of taxable income for the period.

To provide and recognize deferred tax on timing differences between taxable income and accounting income subject to consideration of prudence.

Not to recognize deferred tax assets on unabsorbed depreciation and carry forward of losses unless there is virtual certainty that there will be sufficient future taxable income available to realize such assets.

UDAIPUR POLY SACKS LIMITED

SIGNIFICANT ACCOUNTING POLICIES

IMPAIRMENT OF ASSETS

Impairment is ascertained at each balance sheet date in respect of company's fixed assets. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value and use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

ACCOUNTING FOR PROVISIONS, CONTINGENT LIABILITIES & CONTINGENT ASSETS

Provisions are recognized in terms of Accounting Standard 29-"Provisions, Contingent Liabilities and Contingent Assets" issued by The Institute of Chartered Accountant of India, when there is a present legal or statutory obligation as a result of past event where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or where reliable estimate of the obligation can not be made. Obligations are assessed on an ongoing basis and only those having largely probable outflow of resources are provided for.

Contingent Assets are not recognized in the financial statements.

CLAIMS

To disclose claims against the company not acknowledged as debts after a careful evaluation of the facts and legal aspect of the matter involved.
